

### **(+) Quick QuickBooks Quiz...**

***(For QuickBooks Pro, Premier & Enterprise users: Please select all correct answers. Answers and explanations are provided on the next page.)***

Which of the following statements related to icons and the icon bar is True & which is False?

1. You can move the icon bar to the bottom of the QuickBooks screen.
2. You can choose an icon "picture" from a number of icons provided by QuickBooks
3. The "Icon Bar" option is located in the My Preferences tab of the Preferences choices.
4. You can create an icon to represent most of the screens that are available in QuickBooks.

### **(+) Quick QuickBooks Quiz Answers...**

Answers:

1. False. The icon bar, once chosen, is always located near the top of the screen.
2. True. QuickBooks provides a number of icon choices so you can find one that most closely fits your “picture” of the screen you will be using.
3. False. The “Icon Bar” option is located in the View drop-down menu.
4. True. Although there are a few exceptions, this option is available for most screens.
